LaGrange Fire Department Responds to Structure Fire on Forrest Avenue

LaGrange, Ga. February 1, 2022 – The LaGrange Fire Department was dispatched on Monday, January 31st at 11:45 p.m. to 1409 Forrest Avenue for the report of a structure fire.

1409 Forrest Avenue

LFD units arrived on the scene at 11:47 p.m. and found a fire burning on the backside of the home. The fire was under control at 12:22 a.m.

Due to the damage, the cause of the fire could not be determined but all accidental causes have been eliminated. The owner stated he had been remodeling earlier in the day and there were no utilities to the structure. The LaGrange Police Department was called to the scene and

evidence samples were taken and sent to the crime lab. This investigation remains open.

If you have any information that would assist in this case please contact the LaGrange Police Department.

Pre-incident value of the structure was \$30,000. The estimated loss was \$15,000.

Sgt. Mike Webb and Lt. Austin Starr conducted the fire investigation.
