LaGrange Fire Department Responds to Structure Fire at South Lee Street

LaGrange, Ga. May 10, 2022 – The LaGrange Fire Department was dispatched on Monday, May 9th at 10:41 a.m. to 514 South Lee Street for the report of a structure fire.

514 South Lee Street

Crews arrived on the scene and saw smoke coming from the structure. 911 operators advised there was an elderly person trapped inside the home.

Crews arrived on the scene, located the elderly victim and then extricated the victim from the residence. Two other residents escaped the fire with no injuries.

The fire was extinguished at 11:01 a.m.

The cause of the fire is undetermined at this time.

Smoke alarms save lives, please check your smoke alarm for proper operation.
