LaGrange Fire Department Responds to Structure Fire on Harwell Avenue

LaGrange, Ga. April 1, 2022 – The LaGrange Fire Department was dispatched Friday, April 1st at 4:18 a.m. to 402 Harwell Avenue for the report of a structure fire.

402 Harwell Avenue

Upon arrival, crews were met with heavy fire coming from the rear of the structure. LaGrange Fire and Troup County Fire worked in conjunction to bring the fire under control at 6:02 a.m. The property is considered a total loss.

Two people sustained injuries while exiting the structure. One female was flown to Grady Memorial Hospital with burn and inhalation injuries. Another female was checked by EMS and released on the scene.

The fire spread to three vehicles and outside structures which were all a total loss. Pre-incident value of the structure was \$71,000, with an estimated content and exposure value of \$65,000. The estimated total loss was \$136,000.

The American Red Cross is assisting residents affected by the fire.

The cause of fire is still under investigation.

Lieutenant Lance Horne and Deputy Fire Marshall Dennis Kilgore conducted the fire investigation.
