LaGrange Fire Department Responds to Structure Fire on Pine Circle

LaGrange, Ga. April 26, 2022 – The LaGrange Fire Department was dispatched Monday, April 25th at 9:51 a.m. to 199 Pine Circle for the report of a structure fire.

199 Pine Circle

Crews received an initial report of flames coming from the roof, the front door, and the left side of the house. LaGrange Fire Department units, along with Troup County Fire Department, arrived on the scene making an initial defensive attack until conditions were favorable enough for an interior attack. A search of the structure did find three deceased cats.

The fire was extinguished and under control at 12:26 p.m. The structure was a log home, and the fire started in the backroom on the southeast

corner. There was significant damage to the property and contents with an estimated loss of approximately \$120,000.

The cause of the fire was determined to be accidental in nature.

The American Red Cross is assisting residents affected by the fire.
