## **LaGrange Fire Department Quickly Extinguishes Structure Fire on Bailey's Way**

***LaGrange, Ga. January 16, 2020*** – The LaGrange Fire Department was dispatched on Thursday, January 16th at 7:02 PM to 306 Bailey's Way for a report of a structure fire.

Bailey's Road Structure Fire

Firefighters arrived on the scene and found light smoke showing from the residence. The tenant told crews a pot had been left on the stove and it was on fire.

Firefighters entered the residence through the front door and to the kitchen where they located fire on the stove extending to the microwave and cabinets above. They used a 20 lb. ABC extinguisher to extinguish the fire.

The fire was under control and extinguished at 7:09 PM.

Estimated fire loss to the property was approximately \$10,000 with roughly \$5,000 content loss. The majority of the damage to structure and contents were related to smoke damage.

The cause of fire was determined to be unattended cooking.
