LFD crews on the scene of Old Airport Road fire

While fire department units were en route Troup County 911 advised that the occupants said the bathroom was on fire and everyone was out of the house. On arrival at Mallard Lake Apartments firefighters

observed light smoke showing from apartment 111. An interior attack was made through the hallway entrance. Interior crews encountered light smoke and reported that the sprinkler system activated. The fire was controlled by the sprinkler system and quickly extinguished using a minimal amount of water.

Fire damage was mostly contained to the closet bathroom due to sprinkler system activation. The apartment did sustain heavy water damage from the sprinkler system.

The cause of fire is under investigation.

Damage to the apartment and contents are estimated at \$10,000.

There were no reported injuries.
