LaGrange Fire Department Responds to Structure Fire on Glen Robertson Street

LaGrange, Ga. July 13, 2020 – The LaGrange Fire Department was dispatched to a report of a structure fire at 500 Glen Robertson Street, the Phoenix Way Apartments, Saturday, July 11th at 5:52 p.m.

The first arriving units on the scene reported moderate smoke showing from the roofline and eaves of the structure. Upon investigation it was determined the apartment of origin was Apartment “B”. Crews made entry into apartment “B” where they encountered a small fire in the den. The fire was confined to the room or area of origin, but the remainder of the apartment suffered heat and smoke damage.

Crews remained on the scene conducting an extensive overhaul due to fire traveling up an open chase from the first floor to the attic.

No one was at home at the time of the fire and the cause is listed as undetermined after investigation.

Damage to the structure and contents are estimated at \$15,000.
